Mrs 23/4/43 The interpretation put upon Condition 6 of the tender notice by the Director of Public Health is a strained one The language of the condn is quite clear & it is for the Director of Public Health to take action accordingly but need not be a party to this, which may perhaps lead to legal complications

In this connection Kindly see my minute to the letter dated 12 3 1943 of Messrs Jamal Brothers, wherein they have given clear reasons as to why they are not prepared to undertake the work Their tenders may perhaps have to be accepted as a necessary but abnormal thing To enforce the terms & conditions under the face of the tender notice given by them would entail the entering into of a bilateral agreement as mentioned above & the tender which has been accepted has not been executed as yet Having regard to the defect in the fair order of the

May '0' Adverting to Government Order No I 8739-124/41.90-42-47 dated 1st March 1943 sanctioning the acceptance of the tender of Messrs Gannon Dunkerly & Co for Rs 11,993 for the above work, I have the honor to state that the Special Officer reports in his No 213 dated 17th March 1943 that the contractors have refused to take up the work pleading th the cost of all the materials required for the work has risen by 40%,

As under clause 6 of the tender notification, the earnest money of the tenderer is to be forfeited unless the successful tenderer executes th bond within one week after acceptance of the tender, the Special Officer requests approval to the forfeiture of the earnest money which is Rs 560/-

The other tenderer Mr N Varadarajan on enquiry has offered to tak up the work at his own rates, if accepted within a week, and this will result in an 52 6% over the sanctioned estimate and 23 over the lowes tendered cost of Messrs Gannon Dunkerly & Co The Special Officer has therefore arranged to call for fresh tenders

The action of the Special Officer is approved by this office in anticipation of approval of Government I request you to be so good as to obtain and convey approval of Government to the forfeiture of the earnest money of Messrs Gannon Dunkerly & Co , and to call for fresh tenders for the work

The action taken may also be kindly approved

Fresh tenders for underground drainage in Cubbon Park extension in Bangalore City

6340 AS7/5

In continuation of this office letter No C 81-732 dated 19th April 1943 on the above subject, I have the honour to state that against a gazette notification calling for fresh tenders for the above work, only one tender from Messrs Cannon Dunkerly & Co quoting 22 % above the estimated rates has been received their present quotation comes to Rs 11,667/- against their previous quotation of Rs 11,315/- i e Rs 352/- in excess over their original quotation

The Special Officer, Bangalore City Drainage, in submitting the quotation with his No 241 dated 15th April 1943 opines that the calling of fresh quotations will result in further higher quotation and he therefore considers best to approve the new tender of Messrs Cannon Dunkerly & Co to safeguard Government from further loss

In sending their fresh tender for the work, the firm have agreed that their earnest money of Rs 560/- (the forfeiture of which was recommended in this office letter No C 81-721 dated 26-5-43) may be taken as earnest money for their fresh tender for the same work

In view of the recommendation of the Special Officer, Bangalore City Drainage Division, I request you to be so good as to obtain and convey sanction of Government accepting the present tender of Messrs Cannon Dunkerly & Co quotating 22 % more than the estimated rates

A copy of letter No 241 dated 15th April 1943 of the Special Officer together with its enclosures in original are sent herewith for the information of Government & return

The previous proposal of forfeiture of the firm's earnest deposit of Rs 560/- may be treated as withdrawn, under the circumstances

resh tenders for the sewer lines in Jumara par

I have the honour to state that a ain t a aettee notification callin for fresh tenders for the above ork, only one tender from es rs annon unkerly o , as received and this is for 22 " above the t imated rates heir original quotation for the same work came up to a total o 11,515/- a ain the sanctioned estimat fi ure o 9,024/- while their fresh quotation at 22 above the sanctioned rates comes up to 11,667/- he present quotation is thus higher than their previous one by 352/- as will be seen from the statement here ith submitted

esers annon unkerly o , after he overnment approval to their first tender did not execute the bond as they anted rates higher than those they had quoted recommendatio from this offi e was therefore made to cancel their tender and forfeit their earnest money of 560/- for failing to execu e the bond as per clause 6 of the tender notice he matter is now before the overnment for orders

ut, a fresh notification has evoked only one quotation and hat too by /s annon unke ly o , and they have now stated that their earnest money of 560/- submitted by them ith their first tender should be taken as earnest money for their fresh tender for the same ork

onsidering the high prices of labour and materials in the mar et and their steep upward tendency still, I consider that a fresh advertisement is likely to give a higher quotation and consequent further loss to overnment Also, the difference between the original and new quo ations is only a total amount of 352/- in an estimate of 9,024/- onsiderin ll aspects of he case, I consider that to safeguard ove ment from further loss, it ould be best to approve the new tender o esers annon unkerly o , and permit their earnest money, hich was recommended for forfeiture, to be transferred to this new tender s overnment are likely to pass orders on the original recommendation, I request that the matter may kindly be treated as very urgent and submitted to overnment for approval immediately he only fresh tender received is herewith submitted

D O No 755 *Bangalore Dated* 19th May *1943*

Dear Mr Ramachandra Rao,

I am writing this in connection with the settlement of the second tender of M/s Gannon Dunkerly and Co , for laying of the sewer lines in the Kumara Park extension, which has been submitted to you by the Director of Public Health about three weeks back We advertised a second time for this work and still only one tender viz , that of M/s Gannon Dunkerly and Co , was got and this is only Rs 352 higher than that of the lowest tender of the same firm which had been approved by Government but so late that he refused to do the work at his original figures I had recommended for the - forfeiture of their earnest money on that but since it is doubtful if this would legally stand and that, there is no other tenderer even on the second advertisement, that the difference between their 2nd figures tendered 1st and 2nd time is only Rs 352/- and that the work is difficult and full of rocks to be blasted to lay the line and no other contractor may, possibly do the work I have recommended that their second quotation should be approved and their earnest deposit given with the first tender may be accepted as good for the second This is the best and easiest solution which I explained to the Secretary the other day The contractors have now again written on the 17th instant that unless the tender is settled within a week i e , 24th instant, their

P T O

their quotation will have to be reconsidered by them To prevent the recurrence of the trouble as with the first tender, I request that this second one should be kindly settled if possible today and orders of Government communicated by this evening since Friday, Saturday and Sunday are holidays and offices would be cloased I request you to kindly treat the matter as extremely urgent and orders issued, a copy being sent directly to me Kindly excuse trouble

Yours sincerely,
